Dear Dr. Egami:

Thank you for your letter of July 9. I shall look forward with much pleasure both to having Dr. Kageyama join our group in September of 1963, and to your own visit to this country in May, 1963. Please let me know just when you are coming. I would like very much to arrange a joint Genetics/Biochemistry seminar on a Friday at 4 p.m. if it is possible for you to be with us..

Yours sincerely,

Joshua Lederberg  
Professor of Genetics
